Laid off? Get two free nights at a Central American villa

If you've been laid off recently, how does a free night (or two) at an upscale Costa Rican villa sound? Our friends at [Transracial](#) tell us [Recreo](#) is offering just that — with a few conditions. In the eco-luxe resort's "layoff special," those who have recently lost their jobs are offered one free night at a villa for every four nights booked, and two free for every five booked (two free nights is the max). You'll need a party of at least two to get the deal — though only one person needs to have been laid off. Travel dates range from April 26 through November 14, but you must book by June 15 to lock in the deal. Read more about Recreo's villas and their amenities (hint: private pools) [here](#).
